To

The Chief General Manager,
BSNL, TN Circle,
Greams Road,
Chennai-600 006.

Madam,

Sub: method of Calculation of vacancies in TN Circle for JTO(T) LICE 2015-16-reg.
* * * * *

We, on behalf of BSNL Employees Union, Tamilnadu Circle, would like to brought forward the discrepancies in the calculation method for the vacancies for JTO(T) LICE 2015-16.

It is announced that there is 106 vacancies in the 2015-2016 JTO(T) LICE-2016. But as per the clarification given by the Corporate Office vide its letter No. 6-1/Genl/2016/Estt-IV dated 07.02.2017 to Punjab circle, the vacancy for the year should be calculated for the LICE taking into account of the total vacancy brought forward from the previous year(i.e. of the internal vacancies and outsider vacancies).

If this method of calculation of vacancies are taken into account, then there will be more number of vacancies will be available to the internal candidates and hence we request your goodself to make necessary arrangement to recalculate the vacancy for the JTO(T) LICE 2015-16 and to announce the results soon.

Thanking You,

03.03.2017.

Chennai.

Yours Faithfully,

(A.Babu Radhakrishnan)

Circle Secretary.
