To

The Chief General Manager,

BSNL, TN Circle,

Greams Road,

Chennai-600 006.

Madam,

Sub: method of Calculation of vacancies in TN Circle for JAO LICE -reg.

\* \* \* \* \*

We, on behalf of BSNL Employees Union, Tamilnadu Circle, would like to brought forward the following issues to be settled in the JAO LICE Exam held on 17.07.2016.

First results for the same exam was declared for 80 staff. Qualified candidates were sent to training and posted as JAOs in their parent units and some were posted outside their parent SSAs.

But when the reviewed results were announced again and the results were changed. Around five officials already posted as JAOs were declared not qualified and they were reverted. Some of those officials were shifted their residences to the new places also.

We came to know that names of the some officials passed earlier in the JTO LICE and unwilling to work as JAOs are also included in the qualified list of the JAOs. If their names are deleted some of the officials may also get the promotion.

In addition to this we came to know that the calculation of the vacancies for the LICE was not as per the Corporate office guidelines, which is issued to Punjab Circle vide Corporate Office letter No. 6-1/Genl/2016/Estt-IV dated 07.02.2017. If this method is used for the calculation of the vacancies, all the qualified candidates can be promoted.

Hence it is requested that the calculation of the vacancies may be recalculated and the unwilling officials name may be deleted from the qualified list and the results may be changed accordingly.

Thanking You,

Yours Faithfully,

(A.Babu Radhakrishnan)

Circle Secretary.

03.03.2017.

Chennai.
