

Reply to C.K.Madhivanan.

When we told C.K.Madhivanan to mind his own business, we meant to tell him not to poke his dirty nose into the affairs of our Union. However, we know his skin is very thick and he doesn't have the minimum decency that a human being should have.

Com. Kanniappan has contributed several decades of unblemished service for the trade union movement. Still C.K.Madhivanan gets petty pleasure in calling him a casteist. Com. Kanniappan is not casteist. But, who is using casteism in Chennai Telephones, to maintain his domination in the union, is known to everyone. C.K.Madhivanan, calling com.Kanniappan casteist, is nothing but a thief shouting "thief", "thief", only to divert the attention of the people so that he can escape.

C.K.Madhivanan has asked whether com. Abhimanyu and com. Namboodiri are not using cars. Yes. They are using. They are All India leaders and they require car facility. At the All India level, almost all General Secretaries are using cars. That is totally a different matter. We have not asked why com.Chandeswar Singh, GS, NFTE, is having a car facility? Let C.K.Madhivanan not divert the attention.

We are coming straight to the point. NFTE circle secretary in Tamil Nadu circle is not availing car facility, using worker's money. Not even NFTE circle secretaries of bigger circles like Andhra or Karnataka. Chennai is not a very big state like Tamil Nadu, Karnataka or Andhra. Still, why C.K.Madhivanan requires a car, by lavishly spending worker's money? It is because, he wants to live the life of a sultan, using worker's money. That is why we call him a parasite. That is why we are saying that he is sucking worker's blood.

Sultan C.K.Madhivanan has shamelessly lied that a commission of enquiry has been formed to look into the financial irregularities of com.K.Govindaraj. It is a total lie. The audited accounts of the circle union has been approved by the circle conference. Still, responding to the doubts expressed by some comrades, com.P.Abhimanyu, General Secretary, has assured that those aspects would be looked into. This only shows the high level of transparency and democratic functioning being followed in BSNLEU. We know that such a transparency and democracy are not available in the union ruled by sultan C.K.Madhivanan.

Telling lies are like eating laddus for C.K.Madhivanan. Otherwise he will not say that com. P. Abhimanyu, General Secretary, stays in 5 star hotels. Every where, our General Secretary stays in IQs only. Even his own comrades in NFTE, will not believe the bluffings of C.K.Madhivanan. Still C.K.Madhivanan will keep on speaking such rubbish. That is why, we say that C.K.Madhivanan does not have even the minimum decency, that a human being should have.

C.K.Madhivanan has given lengthy definitions to prove that he is not thrown away. We cannot stop laughing, when C.K.Madhivanan says that he gave up the post of Dy. GS, only to accommodate two young and energetic telecom mechanics from Chennai Telephones, in the All India posts. We want to ask only one simple question to C.K.Madhivanan. When you have such young and energetic comrades in Chennai Telephones, Why can't you hand over the Chennai circle secretary post also to one of those "young and energetic" comrades? Why are you shouldering the burden of the circle secretary post from 1996?

In Tamil, there is a proverb. However capable may be the liar, his lies can remain unexposed only for 8 days. When C.K.Madhivanan was the Dy. GS of NFTE, he kept on abusing all his All India leaders. He wrote on his website that com. Islam Ahmed, All India President of NFTE has changed his unions, as many times he changed his shirts in life. It is a tragedy for any trade union, that the General Secretary of the union is gheraoed by his own Deputy General Secretary. But, this happened in NFTE.

Once, C.K.Madhivanan, Dy.GS, together with his comrades, gheraoed com. Chandeswar Singh, GS, NFTE, at Chennai. As a result, when NFTE's National Executive Committee meeting took place at Junagad in Gujarat, C.K.Madhivanan, even though he was the Dy.General Secretary of NFTE at that time, was not even allowed to sit on the dias, but was made to sit together with the audience. We were able to see this in NFTE's website updatings. In the next All India Conference of NFTE, C.K.Madhivanan was kicked out of the post of Deputy General Secretary. It is also not out of place to mention that C.K.Madhivanan used to abuse even veteran leaders, com.O.P.Gupta and com.Jagan in very filthy words. But now, this saitan tries to teach lessons to others.

Com.M.Kanniappan,
Circle Secretary,Bsnleu,
Chennai.
