

Congratulations

Dear All Employees, I am happy to announce that we are net Land Line positive now.

The only SSA in TN Circle to make it positive.

Also it's first time after 10 years in our SSA. Our Net BB is 2650, which is the highest in the Circle.

This was possible only because of earnest efforts by all our employees as a team. The support extended by Joint forum of Unions by offering 1 hour extra working also contributed a lot.

This achievement once again proves that motivated manpower is our biggest asset. This should give us more confidence to improve further. Efforts must be taken to make all exchanges positive.

-GMT, NGC
